**See the very good (or even better evaluation) of our first Clinical Pearl's Program!  
 Clinical Pearls: Primary Care Psychiatry: April 8th and 9th 2016  
 Ontario Psychiatric Association Annual Conference  
 in Collaboration with OMA Section on Primary Care Mental Health**

See the participants' feedback here:

**What I liked most about the session:**

*Rich programme/very applicable*

*Learning from psychiatrists what it is appropriate for FPs to do before referral.*

*Practical.*

*All group seemed comfortable with each other - easy discussion.*

*Clear Speaking, Good Slides Projected, Easy Discussion*

*I liked all the presentations.*

*So much practical information.*

*Small groups. Short presentations. Time for Q&A.*

*All the topics were excellent. Lots of Group and Collegial Discussion*

*Duty to Warn/Duty to Protect*

*Therapist-Responding Therapeutically to Patient Anger*

*Casual, small session - easy interaction with speakers*
